Special Tools				
Ref. No.	Tool Number	Description	Q'ty	Page Reference
①	07GAC—SE00200	Fuel Sender Wrench	1	16-127
②	07JGG—0010100	Belt Tension Gauge	1	16-101, 102

A line drawing of a Fuel Sender Wrench. It consists of a long, thin handle and a circular base with a serrated edge. The handle is attached to the center of the base.

①

A line drawing of a Belt Tension Gauge. It features a vertical handle with a cylindrical top, a central body with a cross-shaped grip, and a base with a curved scale and a small pointer. The base is mounted on a small stand.
